FREQUENTLY ASKED QUESTIONS

1. Can Bachelor’s/Accelerated Master’s Program (BAM) students run for a position?
A: Only students who have fully matriculated into a graduate or professional degree program (after the bachelor’s degree is conferred) may run. BAM students who are taking graduate courses before receiving their bachelor’s degree are not eligible to run for a GAPSA officer position.
2. Can I still be a part of this organization if I don’t run for an elected position?

A: Yes, GAPSA is meant as an outlet to voice concerns, gather together as graduate students, and network with each other. We need and want as many grad students as would like to participate in the Assembly and on various committees.

3. Can I still run for a position if I am a part-time student?

A: Yes, GAPSA is open to all degree-seeking graduate and professional students, whether they are full-time or part-time students. The President must be a full-time graduate student in a degree-seeking program in order to accept the graduate professional assistantship offered.

4. When does the term of office begin and end for each position?

A: All elected offices hold a one-year term, beginning **July 1, 2026**, and ending **June 30, 2027**.

5. How much time will holding a leadership position take?

A: The amount of time spent in a leadership position and devoted to the organization is dependent upon the position. The following are minimum estimates of the time required by each position:

- President: minimum of 10 hours per week on average during the academic year (AY), plus additional work during the summers at the beginning and end of their term
- Executive Vice President: 7 hours per week on average during the AY
- Vice Presidents of Regional Campuses: 5 hours per week on average during the AY
- Director of Communications: 5 hours per week on average during the AY

6. How will officers spend their time?

A: Officers will be expected to attend biweekly Executive Board meetings, usually ranging from 1.5-2 hours; regular meetings with GAPSA advisors (1-2 hours/month); monthly General Assembly meetings, usually lasting 1.5 hours; committee meetings; a transition meeting with outgoing and incoming officers; 2 all-day retreats, one per semester; and GAPSA events. Officers should consider that commute time does not count toward the weekly average work time.

7. Do officers of GAPSA receive compensation?

A: The President will be offered a part-time graduate professional assistantship with a stipend and tuition benefits. The other GAPSA officers will receive scholarships, based on meeting expectations. Officers will be required to sign an agreement to terms in order to receive compensation.

8. Do I have to campaign?

A: No, that is why each applicant is asked to include a biography about themselves and a candidate statement, as well as participate in the Meet the Candidates event, to share what makes them qualified for the position so each voter can make an informed decision.

A: **Monday, April 20, 2026, 11:55 PM.**

11. How will I be notified of the outcome of the election?
